DOG RUNS

- Still waiting for permanent fencing at your new home?
- Looking to create a separate, secure area on your property for your dogs or other animals?
- Need temporary pet fencing while you do renovations to your property?

Our portable, secure and temporary fence panels are an economical solution that gives you peace of mind while your pets enjoy the outdoors.

- panels are easy to install and have an endless variety of configurations
- larger pets, we recommend 8' x 10' panels
- security clamps are available for increased strength
- deluxe fancy man gates provide easy access
- rural customers used the fence for keeping deer and elk out of their gardens

Pick up at our yard or have it delivered and setup.
We have both purchase and rental options.
